## Agenda

Discuss one topic: Get your local council district involved in more cycling events. Sahag Yedalian who is the Transportation Field Deputy for my Council District 2 requested that I create a mini-CicLAvia for our district.

Because of Covid, I feel that more people want to get out on their bicycles after being home for such a long time but want a safe local ride. I attended the CicLAvia down in Wilmington three weeks ago and noticed a lot of happy faces on a good turnout of folks.

Note: Jennifer, Quirino and I handed out stickers that everyone accepted without question. Quirino's design is very attractive and folks were proud to put on their helmets and bicycles.

Bottom line, what can we do to encourage more events within our CD's at a minimal cost?

We need volunteers to distribute LABAC promo for CicLAvia on October 10, 2021.

Thanks for your support.
