Zoom Call Information below at end of Agenda

LABAC Advocacy and Education Committee Members:

Even if you are not an Appointee to LABAC, you and any other residents of Los Angeles may join the upcoming Zoom call free of charge and see if we say anything interesting that you could get passionate about. Zoom Call information listed at bottom of page.

During the Advocacy and Education meeting we need to decide on some important issues concerning the Advocacy and Education Committee:

Below are **agenda ideas** that that have been suggested to me that I would like to be discussed at the upcoming LABAC meeting:

- 1. Any update about whose district you are now in? Find out who your Transportation Deputy is.**
- 2. Continuing the Open Session to brain-storm ideas. LABAC has been around for 50 years. Times have changed. So must we in order to make changes for safety and greater amount of bicycle riding in Los Angeles.**
- 3. How does LABAC get involved with bicycle/active transportation classes with METRO?**
- 4. Jennifer Gill wants to have a discussion about how LABAC should promote the correct clothing to wear when riding a bicycle at nighttime so riders are seen.**
- 5. How do we distribute more of our stickers throughout Los Angeles**

6. Start a discussion on E-Bikes partners.

7. Who wants to help do the build-out of Rob Kadota's spreadsheet about bicycle shops, bike trails, and other activities in each of the Council Districts?
