5. Accommodation of cyclists when bike lanes close in construction areas. Need more research on council files and/or city ordinances. We could weigh in. Glenn, Jennifer, and Curtis.

6. Hardening bike lanes: bollards, curbs and other options. Update on city research and tests. Let him know where signage is needed to communicate the use of that space, Elliott

7. Active Transportation Infrastructure Capital Improvement Plan. Council File 23-0919.

8. Century City Bikeway Network plan. Elliott.

9. Expo Bikeway, Northvale gap update. Elliott

10. Permanent slow streets update. Elliott

11. Streets For All update. Discussion and possible action on implementation of Measure HLA, Michael Schneider

12. How can we ensure that there is public engagement and notice before bike lanes are removed, or removed from approved plans? Karen. Please see the Streets Blog article linked here: <https://la.streetsblog.org/2023/11/02/where-l-a-city-is-quietly-removing-bike-lanes-and-adding-on-street-car-parking>

Elliott to check with Van Nuys bike lanes, are there generic procedures that apply in such situations?

13. City Council files related to bicycling ([link](#)) updates.

- Are there council files missing that should be added? Are there council files that should be removed from the list?
- Which of these files should Planning and Engineering actively monitor? And who wants to be a point person for those files? And which ones do we think are more related to the Advocacy and Education Subcommittee?

14. Road resurfacing schedule-bikeway implementation matrix. For current status, please see:
