

**Planning and Bikeways Engineering Subcommittee meeting -
Tuesday, September 16, 2025, 1:00 p.m.**

Location: Little Tokyo Library, Community Room, 203 S. Los Angeles Street, Los Angeles, CA 90012

Online Meeting Access Information

If you can't make it in person, the Subcommittee provides a host and limited participation on Zoom, and dial-in Information is available at the bottom of this agenda.

BAC member remote participation requests for this or any upcoming BAC meetings pursuant to Government Code Section 54953(f) (AB 2449).

Bikeways, Planning and Engineering Subcommittee members: Jennifer Gill (vice chair), Glenn Bailey, Philip Armstrong (chair), Michael Schneider, Karen Canady,

AGENDA

1. Call to Order and Introductions and approval of minutes. Please see 7.15.25 minutes available at: https://labikecommittee.org/wp-content/uploads/2025/07/Subcom-minutes-7-15-25_V2.pdf
2. Public Comment on non-agenda items.
3. Active Transportation project updates. Elliott Shaw
 - Discussion and possible motion on impact of [2025-2026 Proposed Budget](#) and layoffs on LADOT operations.
 - Discussion on Terra Bella Street - Metro is working with LADOT on an interim replacement bike lane. Elliott to check with Metro to confirm that the schedule for the replacement bike lane is in synch with the schedule for the light-rail project on Van Nuys. Glenn
 - Spring/Alameda Corridor Safety and Mobility Project.
 - Project Website: <https://ladotlivablestreets.org/projects/springalameda>
 - Project Survey: <https://sur-vey.typeform.com/to/mgcB7j7x?typeform-source=www.google.com>
4. Vision Zero Update. Eleanor Hunts

- Hollywood Boulevard Safety and Mobility Project, Phase 1 includes plans to add Zicla zippers within existing buffers. Phase 2 includes civil design plans for curb ramp improvements.
- [Vermont Transit Corridor Project](#): Waiting to hear from Metro about what treatments might be incorporated into their project.
- Discussion and possible action regarding joint LADOT/CAO report on [Vision Zero Program Independent Evaluation](#): It's Council File [23-0600-S121](#). The Transportation Committee heard the council file on August 13 and transmitted it to the Budget and Finance Committee and the Public Safety Committee and they may take it up this month.
- Pico Boulevard Safety and Mobility Project. Discussion and possible action to recommend to the LABAC to approve a Letter of Support for Class IV bike lanes on Pico. Survey is live and linked on the home page of the project website: <https://ladotlivablestreets.org/projects/pico>
- Discussion regarding the SRTS Center City Schools Neighborhood Safety & Climate Resilience Project. In July 2024, Eleanor told us detailed design for this project is scheduled to begin in 2026. Will this schedule be maintained and is the project still on track for construction complete in 2028? Could LADOT provide a project webpage on the <https://ladotlivablestreets.org/projects/> website to: 1) provide a context for the community to engage with this project; and 2) emphasize its synchronization with other projects, such as LADOT's [Stress-Free Connections](#), the Bimini Plaza [People St project](#), and the [Wilshire Center-Koreatown NEN Project](#), and LA Metro's [Vermont Transit Corridor Project](#)?

5. Accommodation of cyclists when bike lanes close in construction areas. CD 4 motion was introduced on August 6, 2024, in [Council File 20-1469-S1](#). Council adopted this motion on October 1, 2024. On August 11, LADOT submitted the anticipated [report back](#), dated August 7, 2025. Elliott.

6. Hardening bike lanes: bollards, curbs and other options. Update on city research and tests. The LABAC is interested in a maintenance cost comparison over 5-10 year periods between the standard approach of bollards/paint + ongoing maintenance vs. hardened infrastructure. Eleanor.

- LADOT wants feedback from cyclists using the bike lanes and to see how the bollards hold up and whether the addition of other elements reduces replacement costs.

7. Active Transportation Infrastructure Capital Improvement Plan, [Council File 23-0919](#). Discussion and possible action on the North Westwood Neighborhood Council (NWWNC) [community impact statement](#). In addition, please see the Investing In Place [report](#), "A City That Works: Public Space as a Civic Promise." Janis believes it's worth it to put something together as a BAC "position" on the issue of Capital Improvement planning for Active Transportation — as a "marker" for posterity.

8. Century City Bikeway Network plan. Report update of prioritized projects from [First/Last Mile \(FLM\) Plan](#) for the Purple Line (D Line) extension through Century City. It's not an active LADOT project.

- Motion passed at our July 15, 2025 subcom meeting to recommend that the LABAC send a letter to CD 5 and Metro supporting an FLM Plan at the Century City Purple Line (D Line) Station.
- Elliott will ask about Bike Lane Uprising and he and Eleanor can discuss it internally and see what's up.

9. Expo Bikeway, Northvale gap update. If it's possible to include specific questions in the agenda, Elliott said he can work on getting answers before the meeting. Elliott.

10. Streets For All update. Discussion and possible action on implementation of Measure HLA. Please refer to [Council File 15-0719-S26](#), [Mobility Plan 2035](#) map, and [Mobility Plan Implementation Dashboard](#).

11. Olympics opportunity for bikeway infrastructure and/or the [Festival Trail plan](#) and [route](#). Considering Paris' bikeways transformation, accelerated by their Olympics, could LA take inspiration to also implement an accelerated bikeway implementation plan in advance of the games? Eli Lipmen.

- On July 15, Jennifer reported that the Letter of Support was approved at the June 3 LABAC meeting and Rob is working on the verbiage.

12. City Council files related to bicycling ([link](#)) updates.

- Are there council files missing that should be added? Are there council files that should be removed from the list?
- The subcommittee chairs went through the list and claimed the ones that applied to them so that someone takes responsibility for tracking each one. Please see the [link](#) for the results. At the July 1 A&E Subcom meeting, Rob said he would meet with Jennifer and Philip to go through the list.
- Council File 25-0930: Departments of Transportation and City Planning, in coordination with Bureau of Street Services and the Bureau of Engineering, to report on options and recommendations that would require bike lanes to provide sufficient width for emergency vehicle access. Lionel.

13. Road resurfacing schedule-bikeway implementation matrix. For current status, please see: <https://docs.google.com/spreadsheets/d/1yGOX-qbl0Dbt8exw-v4Bt1Bs8TZoAOo8wmjvtyD7FU/edit#gid=304220517>

14. Project Suggestion list.

https://docs.google.com/spreadsheets/d/1nG7dZ5QJUd8bsi_VJN3QDh_qhEIG12fsrB913uGkrA/edit#gid=0

15. Announcements

- Please use the following link to complete the Los Angeles Bicycle Advisory Committee's "Your Ride, Your City" [Bike Survey](#).

16. Adjournment in honor of people killed in crashes with motor vehicles.

Next Meeting: Tuesday, November 18, 2025, 1:00PM.

LABAC Planning and Bikeways Engineering Subcommittee Mtg

Committee members are asked to attend in person. Guests and City Staff may utilize

zoom/virtual meeting option.
